# ABOUT US

With over 5 years of experience, Taj Lighting System has established itself as a trusted name in lighting installation, supply, repair, and customization. As our business evolved, we expanded our expertise to include Automation and Controls, Smart Home Solutions, Lighting Design, and Contracting. Today, we provide complete end-to-end solutions tailored to each client's needs, offering the right products at the right price, and delivering fully integrated systems in lighting, automation, and wiring for indoor and outdoor, residential, commercial, and industrial projects.

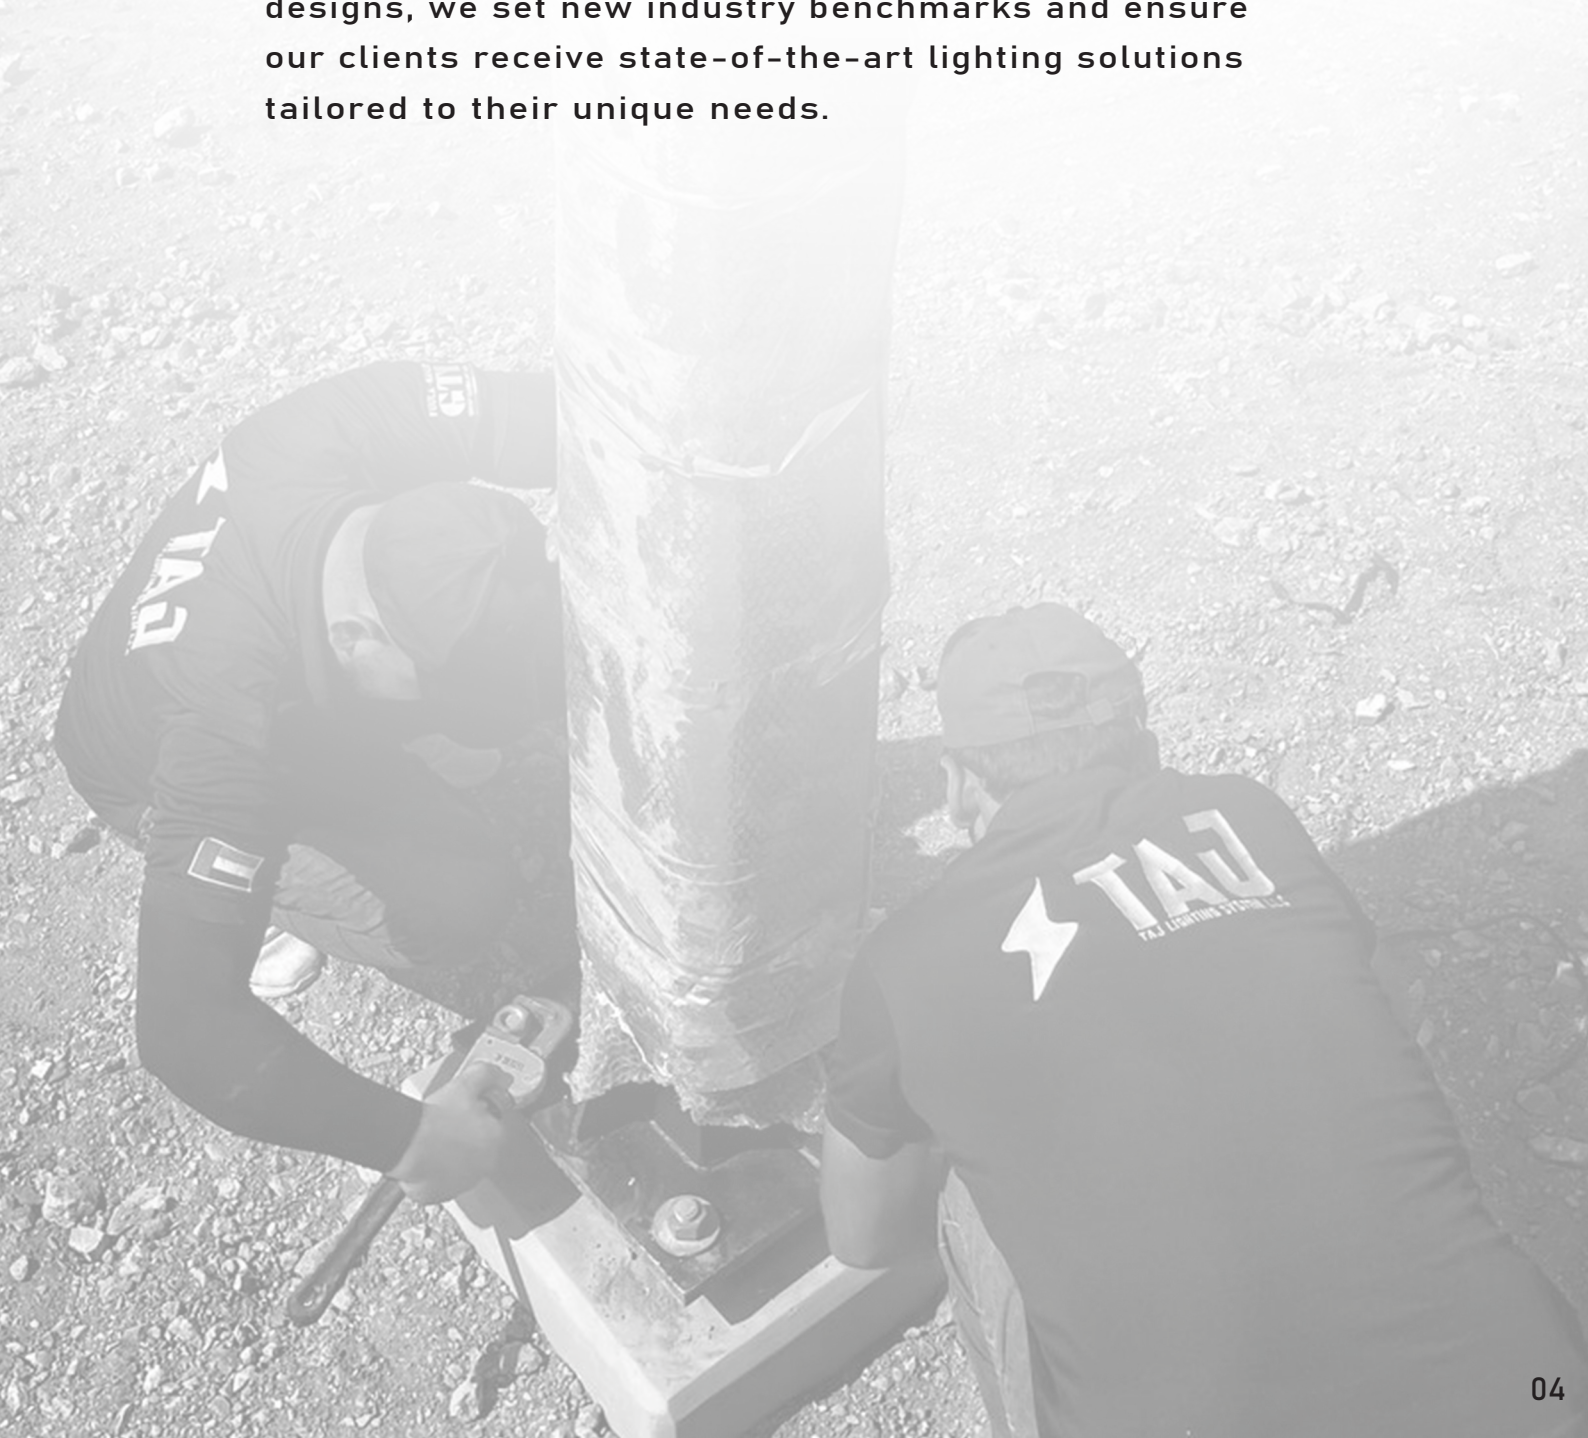

**"Bringing the Right Light, at the Right Price".**

# VISION

To be the leading and most trusted provider of lighting systems in the region, renowned for our innovation, quality, and excellence. We aim to redefine the lighting industry by delivering cutting-edge, energy-efficient, and aesthetically superior solutions that enhance spaces and improve lives. By integrating advanced technologies, sustainable practices, and innovative designs, we set new industry benchmarks and ensure our clients receive state-of-the-art lighting solutions tailored to their unique needs.

# MISSION

At TAJ Lighting Systems, our mission is to deliver innovative, high-quality, and comprehensive lighting solutions tailored to the diverse needs of our clients. We specialize in the design, manufacturing, installation, and maintenance of lighting systems—executing every project with precision, efficiency, and professionalism. Through a customer-focused approach and continuous improvement, we aim to enhance environments and build long-term value.

We are committed to:

- Delivering customized and technologically advanced lighting solutions that meet global standards.
- Continuously innovating and adopting the latest advancements in lighting technology to provide superior products.
- Maintaining a strong focus on sustainability, contributing to a greener and more energy-efficient future.

Our mission is to illuminate spaces with intelligent, efficient, and high-performance lighting solutions that transform environments and enhance experiences.

# VALUE

## ○ Excellence & Innovation

We are committed to the highest standards of quality and craftsmanship while continuously embracing innovation through research and the latest technologies to deliver cutting-edge lighting solutions.

## ○ Client-Centered Commitment

Our clients are at the core of everything we do. We listen, understand, and deliver tailored solutions that exceed expectations, building trust through honesty, transparency, and accountability.

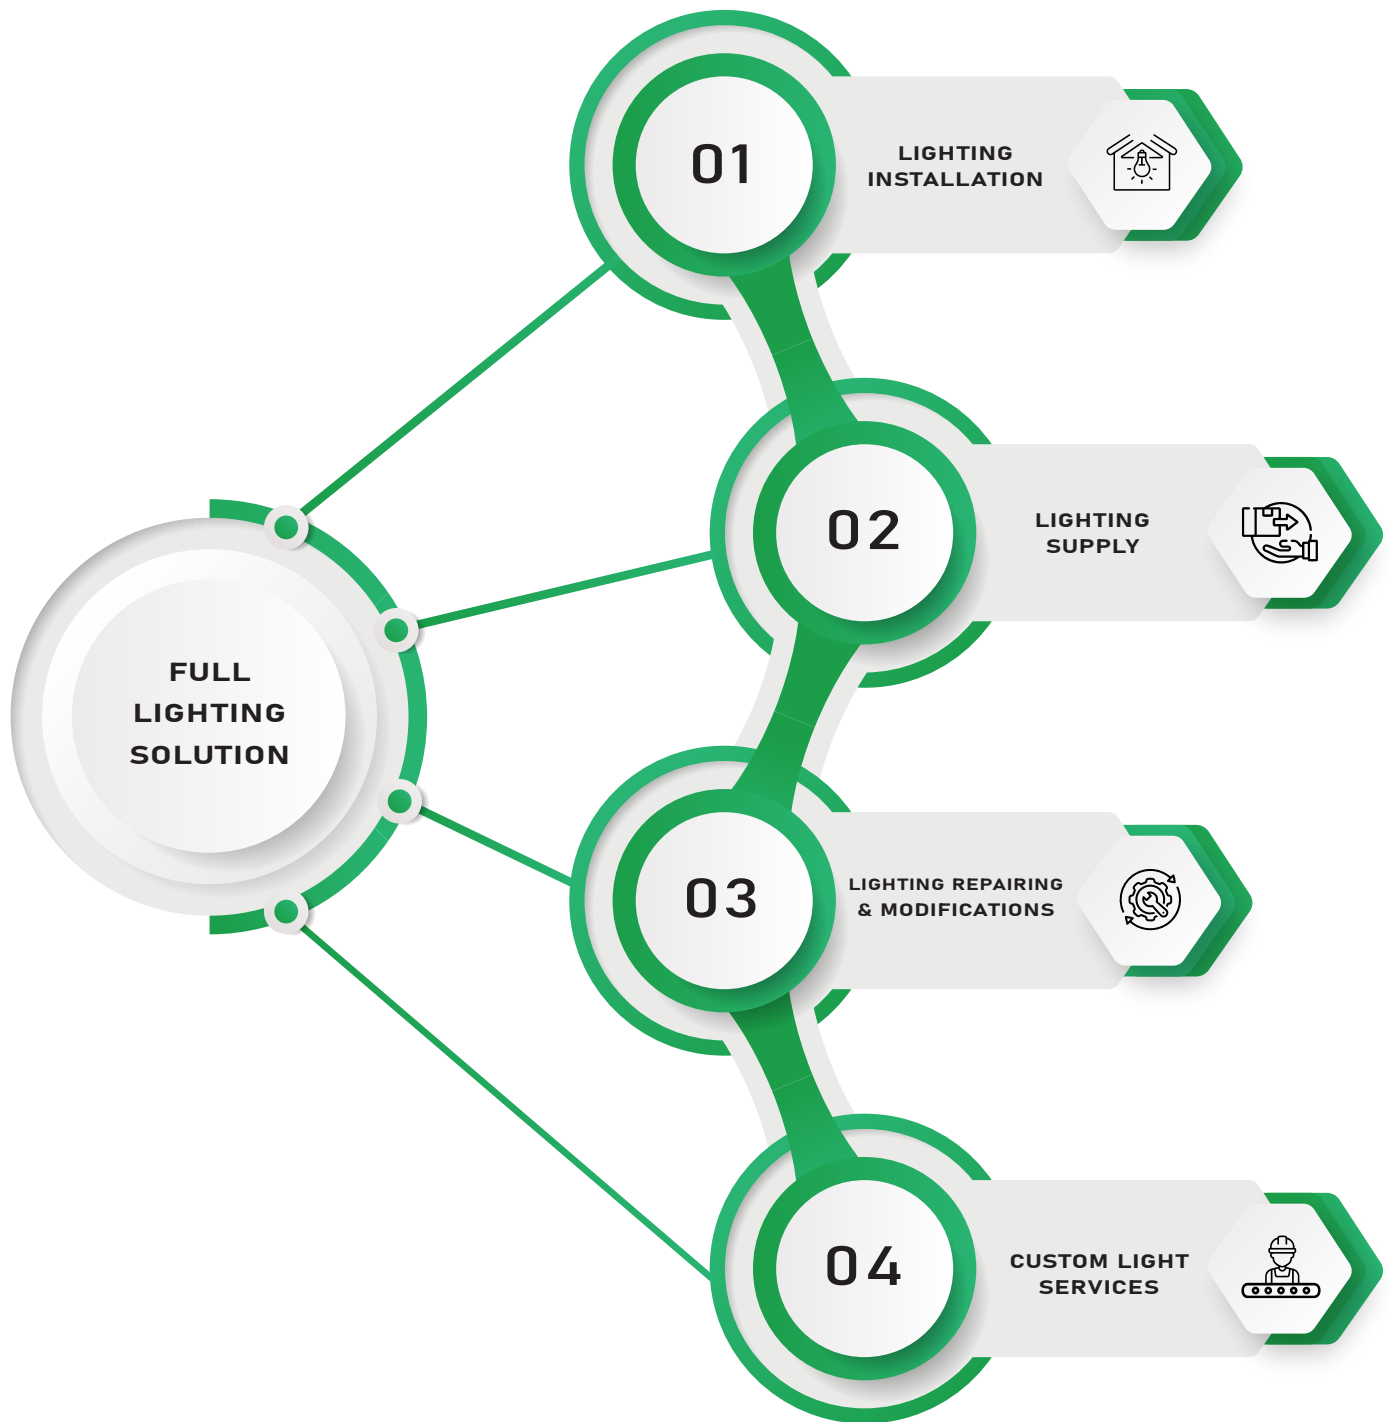

## ○ Sustainability & Responsibility

We prioritize eco-conscious practices, reduce energy consumption, and promote sustainable lighting systems that positively impact both our clients and the environment.

## ○ Teamwork & Growth

Our strength lies in our skilled and motivated team. Through collaboration, shared goals, and continuous growth, we create exceptional lighting experiences and lasting value.

# SERVICES

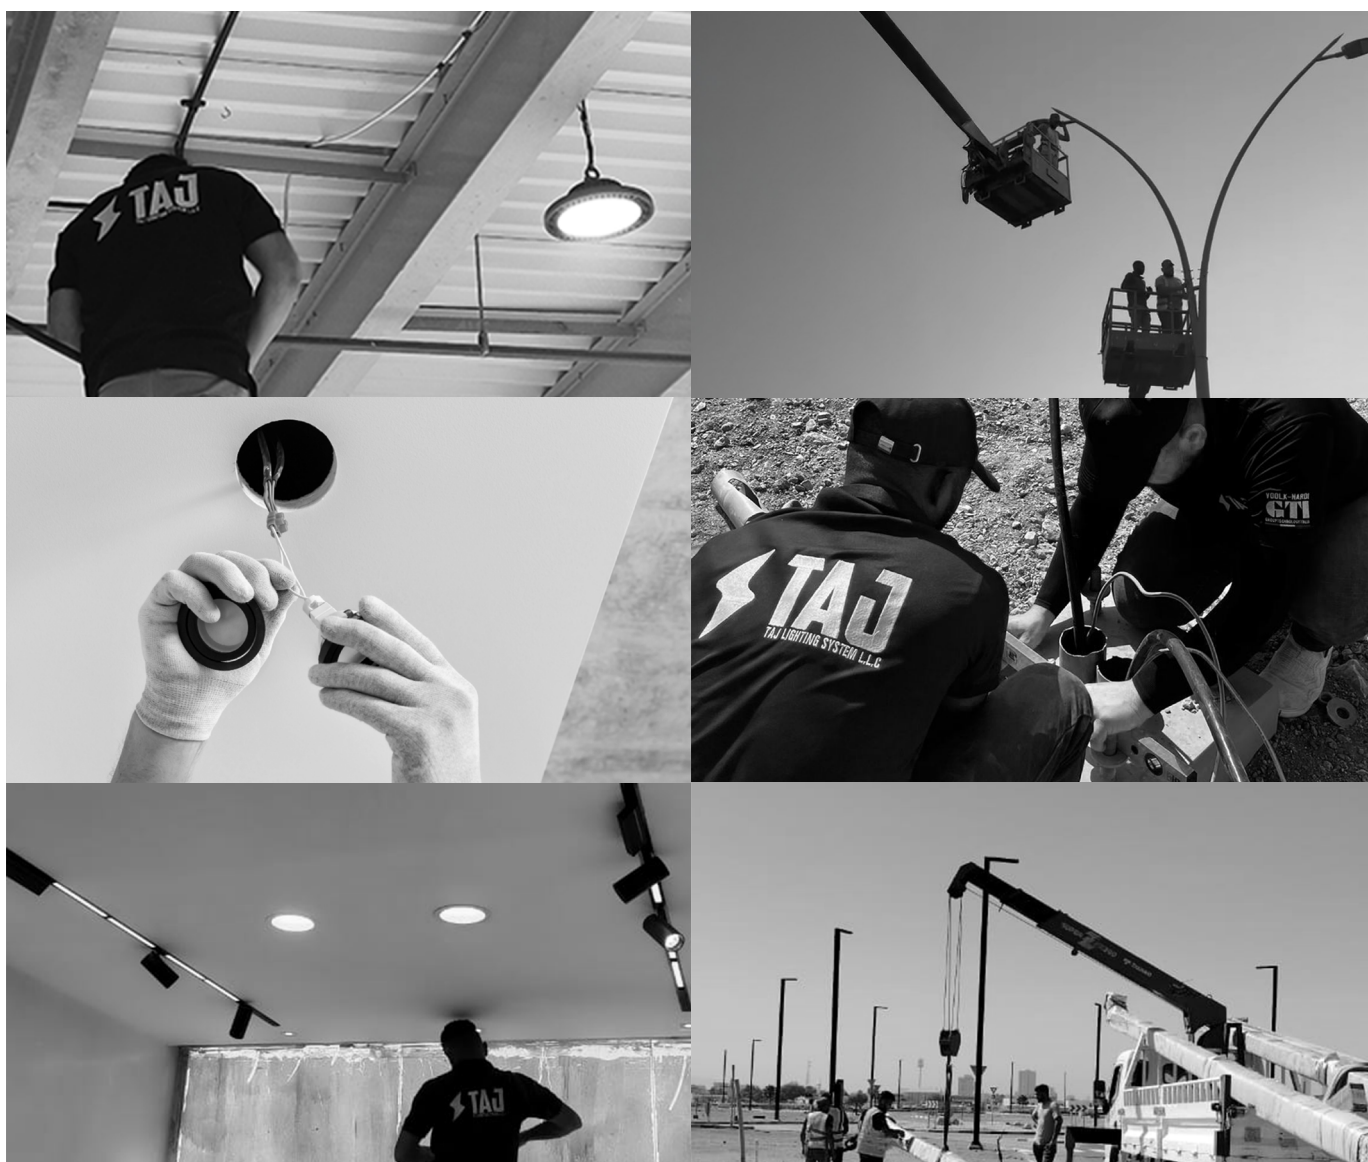

## 01 LIGHTING INSTALLATION

Our skilled technicians offer professional lighting installation services, ensuring safe and efficient setups for various applications.

We handle all types of lighting installation:

- Indoor, outdoor, facade, street lights, landscape lights, marine-grade side lights, under water lights.

## 02 LIGHTING SUPPLY

We provide a wide range of high-quality lighting products sourced from trusted European and international brands. Whether for large-scale development or individual projects, our supply services include:

- A comprehensive selection of indoor and outdoor lighting fixtures, architectural and decorative lighting, landscape and facade lighting, smart lighting systems, as well as emergency and safety lighting solutions.

## 03 Lighting Repairing & Modifications

We specialize in repairing faulty lighting systems and modifying existing setups to enhance performance and efficiency.

Our services include:

- Fixing flickering or non-functional lights.
- Upgrading outdated lighting fixtures.
- Replacing damaged components and wiring.
- Adjusting lighting layouts for better illumination.
- Retrofitting traditional lighting with LED solutions.

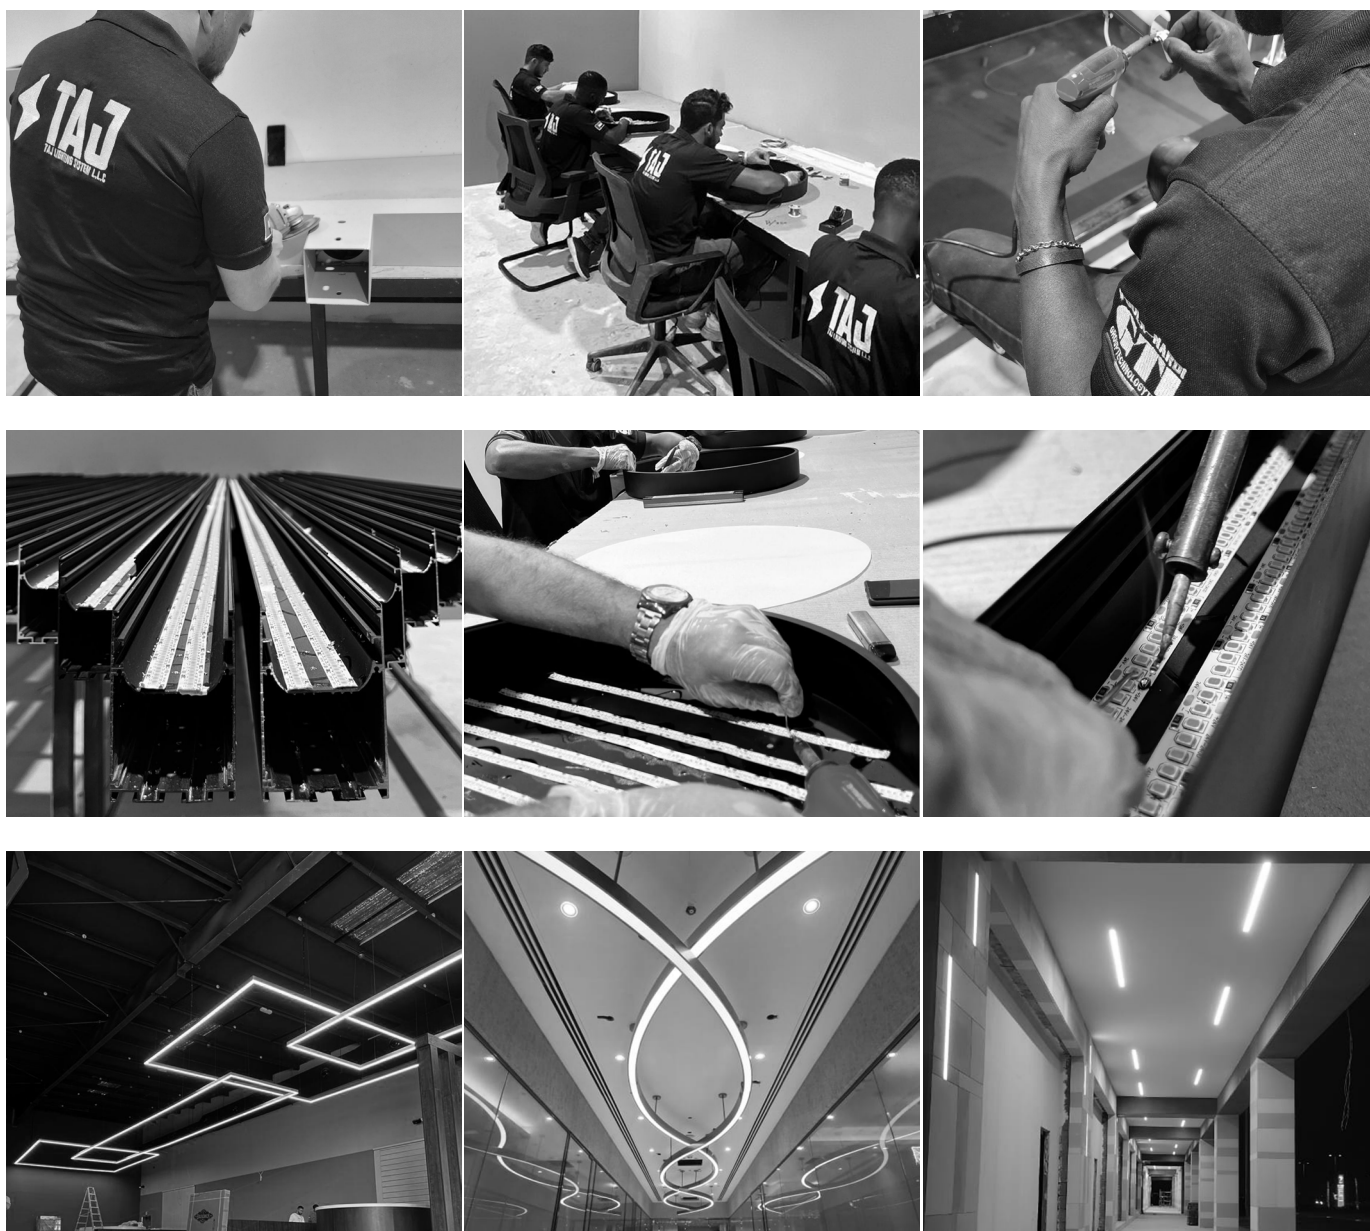

## 04 Custom Light Services

For unique and personalized lighting solutions, our custom light services cater to specific preferences and design aesthetics.

We offer:

- Tailored custom made lights for all kind of projects.

# BRAND PORTFOLIO

**VOOLK-NARDI**

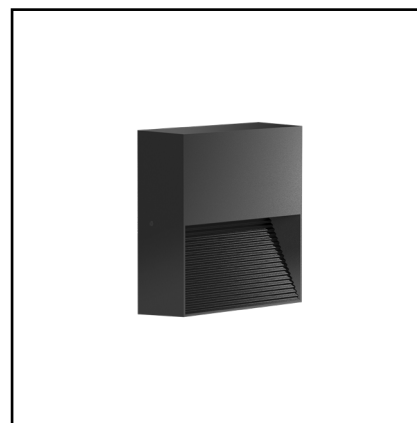

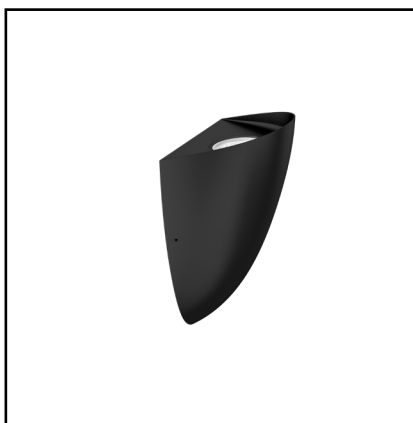

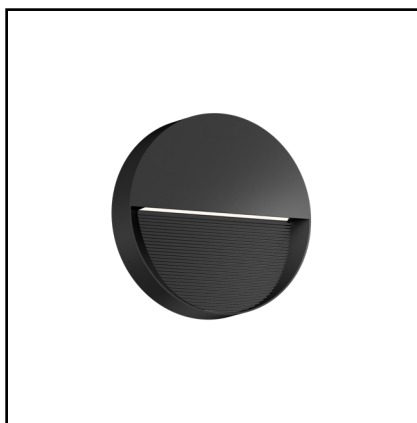

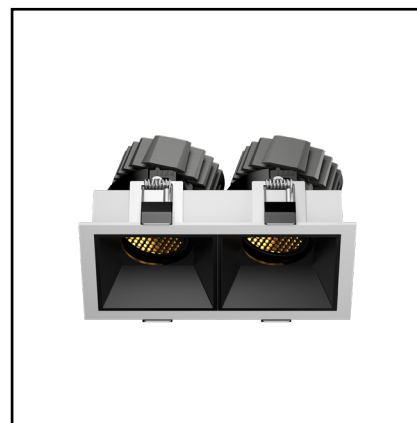

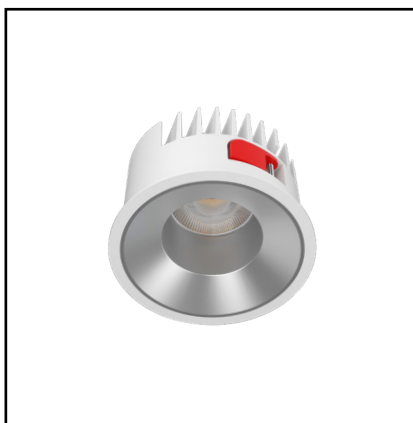

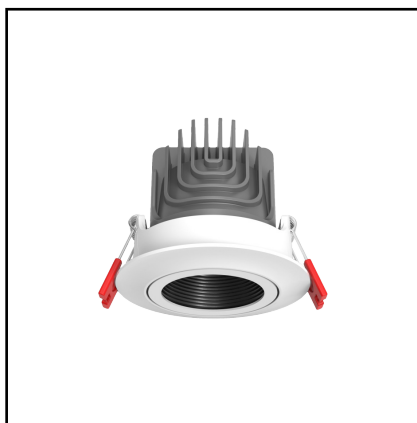

**TAJ<sup>®</sup>  
TECH**

# VOOLK-NARDI

 **VOOLKNARDI** is a distinguished lighting brand based in Poland, specializing in the design and production of high-quality indoor and outdoor lighting solutions. With a commitment to blending form and function, VOOKNARDI offers a versatile range of lighting products that seamlessly integrate with contemporary and modern interior design projects.
